INDUSTRIALISATION AND SUSTAINABLE DEVELOPMENT**

CONFERENCE INFORMATION PACK

**CHINHOYI UNIVERSITY OF TECHNOLOGY, GREAT HALL.
12TH TO 17TH FEBRUARY 2023**

DEAR DELEGATE

Welcome to the Chinhoyi University of Technology's International Conference on Growth, Innovation, Industrialisation and Sustainable development, running under the theme CUT-Innovate 2023. The conference's organising committee welcomes you and wishes you an innovative and eventful stay in Chinhoyi.

ABOUT THE CONFERENCE

The fifth Chinhoyi University of Technology's International Conference on Growth, Innovation, Industrialisation and Sustainable Development comes at the most opportune moment as it coincides with the University's 20th Anniversary. The theme also resonates with the Government's new thrust on the heritage-based Education 5.0 premised on teaching, research, community engagement, innovation and industrialisation.

The conference is a premier event earmarked to rally illustrious and emerging academics from diverse disciplines to spotlight innovation and sustainable development in the context of the heritage-based Education 5.0 trajectory. Building on the success of the four previous conferences, this conference provides an international platform for academics, researchers, policy-makers, captains of industry and students to seamlessly share

experiences and expertise on the overarching multi-disciplinary conference theme and sub-themes detailed below

CONFERENCE EXPERIENCE

By attending CUT's 5th International Conference make sure you carry back with you some memorable experiences. As the adage goes, 'to travel is to live', you have travelled, make the best out of it. Outside the conference, delegates are encouraged to visit local places and engage with the local economy.

Entertainment

Entertainment during the conference will be provided by local artists and performers.

Night life

Outside the conference, delegates can choose to visit areas in Chinhoyi. There are a number of entertainment spots in Chinhoyi. Although the Chinhoyi is relatively safe, delegates are encouraged to exercise due caution when visiting unfamiliar areas.

Tours

Three tours have been organised for delegates during the conference, those interested are encouraged to register in advance for planning purposes.

1. Technical Tour

A technical tour to the University's Agro-Industrial Park, Milking Parlor and Innovation Hub has been organised for delegates during the conference. The tour will allow delegates to familiarize with research projects and innovations being pursued by the University. Participants will be required to bring a sun hat and a note book. The tour will last 4 hours.

2. Tourist Tour packages

Two tourist packages have been prepared for delegates to visit local places of interest. As highlighted before, interested participants will be required to register and pay for the tour for planning purposes.

i. Half day Tour - Chinhoyi Caves and Kore-kore village (\$30)

A worthwhile break during the conference to visit the magnificent Chinhoyi Caves, some natural underground caves with a rich cultural history is all that you need to reflect on all the conference proceedings. To top-off the tour will be a visit to the Kore Kore village, a living village which allows you to participate in the Kore Kore way of life. Activities during the tour are

storytelling, traditional dances, nature walks, traditional food preparation, and cooking methods. The tour will last 4 hours.

ii. Full day tour- Mazvikadeyi Resort. Braai and Lunch Cruise (\$60)

What a way to relax after an eventful conference. A visit to Mazvikadei takes you away from the hectic conference environs to a more relaxed natural environment with a blend of African Bush. The tour activities include, swimming, volley ball, braai, and a lunch time cruise. The tour will last 10 hours.

We hope you enjoy your working travel experience around Chinhoyi and its environs
